Christmas Party is December 9th

## **President Bill Bower's Notes for November:**

I want to send out a big thank you to everyone who helped Saturday November 4th with the Young Eagles Rally at Byron.

Despite the weather challenges we succeeded with a successful rally. It could not have been done without the help of the ground crew as well as Renee, Pete and the set up crew getting all the computers up and working. A big thank you to all the pilots who flew today.

A big shout out of thanks to Randy Howell, Don and John from the Patriots. They have a great facility to hold these Rally's.

This is the end of our Rally's for 2017. So I will not be bugging you again till next year. Thanks to Stephen Tucker who put in numerous hours this year setting them up and coordinating everything between Buchanan Field and Byron. Also we need to take the banner down.

Our first Rally at Buchanan Field is scheduled for April. The Board will discuss for rallies at Byron for 2018 and let everyone know.

**Hope to see folks at the combination meeting with MDPA on November 17th. If you**

**Have not signed up yet please do so ASAP. There is a limited number of seats available.**

**Dinner will be by Scott Davis EAA/MDPA member and owner of Magoo's Bar and Grill.**

Again thank you everyone

**YOUNG EAGLE FLIGHT COMMENTS:**

**From November 4<sup>th</sup> at Byron airport with Patriots Jet Team**

***“I had an amazing experience up in the sky. It is something that I’ll definitely remember. Having the ability to go up with my sister for half an hour was so much fun. I cant wait to begin my career as an airline pilot.***

***- Jessica, 14 yrs***

***“The experience leaves me wordless every time. Thank you for all the time and expenses given to allow us opportunities to explore the aviation career paths.***

***- Alec, 17 yrs***

***“I loved the flight! It is perfect for a first time flyer if someone has never flown before.”***

***- Kevin, 16 yrs***

***“My name is Devon. I am 14 years old and this flight has been one of the coolest experiences for me. For me the feeling of moving through air is pretty relaxing and also full of that rush which I enjoy. Inside the plane you feel that you are going at a constant speed, but in reality you are going faster than a race car. For me being able to fly the plane makes me want to do it longer.”***
