Our meetings are open to the public.

Join us for dinner at 6:30 pm (\$7 donation) with the general meeting at 7:30 pm on the above dates in the building at 200 Buchanan Field Road. Enter from the west side of the building, on the

west side of the airport. We always have various speakers and presentations of interest to aviators, after dinner.

Chapter 393 fly-outs are open to chapter members and guests. See the following article explaining them:

Wednesday Fly-Outs

By Harvard Holmes

To maintain our proficiency, a number of pilots get together on Wednesdays and fly somewhere for lunch. Many of the aircraft owners in the chapter participate. Passengers are always welcome. Not only is it a great way to see the Bay Area, it's also fun to see and ride in our members' aircraft. The email address is WedFlyOut@eaa393.org You may contact HarvardHolmes@comcast.net or Renee Robinson webmaster@eaa393.org to be added to or removed from this list.

Generally, someone who wants to go flying will send a suggestion to this list a day or two before. Those who can go will respond, and a destination gets selected. Recent destinations have included: South Lake Tahoe, Half Moon Bay, Petaluma, Santa Rosa, Ukiah, Boonville, Shelter Cove, Willows, Auburn, Sacramento, Lodi, Stockton, Merced, Watsonville and Salinas. If the weather is poor, a destination may be selected as late as Wednesday morning.

The most active pilots on this list are Harvard Holmes, Bill Reining, Renee Robinson, Stu Schuster, and Clint Beacham. Pilots sometimes advertise that they have empty seats, but not always. Harvard Holmes, Bill Reining and Stu Schuster are most likely to have extra seats (4 seat aircraft). My advice is to contact a pilot in advance to make sure they have room and to get directions. Typically, you'd get to the airport by 11:00AM and return by 4pm.

BYE BYE, FOR NOW.

Yo tax dollars at work!

That's all, folks.

You made it to the end of the newsletter. I hope you enjoyed it! Keep on Flying!
