The Christmas party was discussed and all were happy with the results. Carlos reported there was one request for a hangar available on a month-to-month basis.

Picnics were discussed, whether to have one or two or none. Also a hangar party or dance was suggested instead of a picnic. Raffles were discussed to raise funds for the EAA Foundation. It was moved, voted and passed to have a hangar dance in May.

We will still have a pre-Oshkosh picnic this July. Carlos is the raffle chairman and will organize the program.
